

## OSHA REGULATED CARCINOGENS

Chapter III, page 6

NAME	CAS NUMBER	AL1	AL2	AL3	AL4	AL5	AL6	AL7	AL8	AL9
4-NITROBIPHENYL	92-93-3									
A-NAPHTHYLAMINE	134-32-7									
METHYL CHLOROMETHYL ETHER	107-30-2									
3,3-DICHLOROBENZIDINE & ITS SALTS	91-94-1									
BIS-CHLOROMETHYL ETHER	542-88-1									
B-NAPHTHYLAMINE	91-59-8									
BENZIDINE	92-67-1									
4-AMINODIPHENYL	92-67-1									
ETHYLENEIMINE	151-56-4									
B-PROPIOLACTONE	57-57-8									
2-ACETYLAMINOFLUORENE	53-96-3									
4-DIMETHYLAMINOAZOBENZENE	60-11-7									
N-NITROSODIMETHYLAMINE	62-75-9									

- AL1** -- Not applicable to solids or liquid mixtures containing less than .1% by weight or volume of the carcinogen.
- AL2** -- Not applicable to solids or liquid mixtures containing less than 1% by weight or volume of the carcinogen.
- AL3** -- Required to be an area that is designated as a regulated area, as defined by OSHA as, in a closed system. See the appropriate MSDS for the controlled ventilation determination.
- AL4** -- Required to wear, clan, full body protection, shoe covers, and gloves prior to entering the regulated area.
- AL5** -- In case of an emergency release/spill, special medial surveillance by a physician is required to be instituted within 24 hours, for any employee(s) that was/were in the designated area of release/spill.
- AL6** -- Required specific training and introduction on the carcinogen.
- AL7** -- An incident report is required within 24 hours, on incidents which result in the release of the carcinogen into any area where employees may be potentially exposed, to the nearest OSHA area director. **NOTE: This means that the DRMS-FH office needs to be notified right after the incident and it will be the DRMS-FH office that will notify the nearest OSHA area director. Also, the appropriate host representative needs to be notified. DRMS-FH must be notified within 1 hour.**
- AL8** -- A written report is required to be filed to the nearest OSHA area director within 15 calendar days after a release. **NOTE: This report will be done by the DRMS-FH office once all pertinent data is received.**
- AL9** -- DRMO/DRMS-FH is required to be furnished with a statement from a physician, that delineates employee's suitability for employment.
